**Are We What We Eat?**  
**Food and Identity Literature**  
**William R. Dalessio**  
**ISBN13: 9781604978018**  
**Date: 18-Mar-12**

Over the last forty years, scenes that prominently feature acts of preparing and eating food have filled the pages of novels and memoirs written by American immigrants and their descendants because these writers understand that eating is more than a purely biological function but, instead, works to define who we are in the United States and abroad. This book critically analyzes eight of these pieces of ethnic American literature, which demonstrate the important role that cooking and eating play in the process of identity formation. [Read](#)
