4. Search Results

Search results include books, dictionary entries, chapters, encyclopedia entries, major works and handbooks. Each search result shows a snippet of the full text and search terms are highlighted in this text.

The screenshot shows the SAGE Knowledge search interface. At the top, there is a search bar with the text "Enter search terms here" and a magnifying glass icon. Below the search bar, it says "Showing results for: child development" with a "Modify Search" button. The results are displayed as "1-20 of 57,919 items". There are controls for "Results per page: 20" and "Sort by: Relevance". On the right side, there are icons for a folder and accessibility (AA). The main content area shows two search results for "Bayley Scales of Infant Development".
