Have you seen any stage productions of Shakespeare's plays in Taiwan or abroad?

If the answer is yes, discuss one of the productions you have seen. Your discussion should include: the original text of the play (major themes and other important aspects), the director's interpretation of the play, and your evaluation of the production.

If the answer is no, don't panic. Just choose one of Shakespeare's plays as the topic of your discussion. Your discussion should include: the major themes of the play and its relevance (相關性) to contemporary situations (當代情境).
